

LET'S COUNT

HOW MANY?

A row of nine circles, each containing a question mark. Below each circle is a small illustration of a different sea creature: a cloud-like creature, a starfish, a jellyfish, a fish, an octopus, coral, a seahorse, a squid, and a crab.

A large, irregular shape containing a variety of sea creatures: jellyfish, starfish, fish, octopus, coral, seahorse, squid, and a cloud-like creature. The background is decorated with faint, large numbers (0-9) and small circles.
