

HOW TO DRAW A WHALE

Did you know that Humpback whales are found in all the world's major oceans? How cool is that!

<p>1</p>  <p>Let's start with some loose outlines!</p>	<p>2</p>  <p>Now, add a dorsal fin and tail fin!</p>	<p>3</p>  <p>Bring your whale to life by drawing its eye, mouth and a pectoral fin.</p>
<p>4</p>  <p>Give your whale its second pectoral fin and a more defined mouth.</p>	<p>5</p>  <p>Draw the ventral pleats- those long folds in the skin under the mouth</p>
