THE SUNKEN SHIP

While snorkeling near the coral reef, I saw the shape of an old shipwreck beneath the waves. My heart started to race as I swam closer. Inside the ship, I could see a treasure chest with gold edges shining in the sunlight. But something was guarding it—something big. I slowly moved toward the ship, but then a shadow started circling the chest. Just as I reached out for the treasure, I froze as I came face-to-face with...

THE DISAPPEARING ISLAND

My friends and I were exploring a small island just off the coast when we noticed the tide rising quickly. The island was disappearing beneath the water, and we had to escape fast. As we ran toward where we had left our kayaks, we realized they had already floated away with the tide. Stranded and with the water rising higher, we looked around desperately, trying to figure out how we could make it back to shore when we saw...

THE DOLPHIN'S MESSAGE

While sailing with my family, a pod of dolphins approached our boat. One dolphin was acting strangely, as if it was trying to tell us something. Curious, we followed the dolphins and soon discovered a hidden underwater cave. As we entered the cave, the dolphins began to circle, and then...

THE STORMY RESCUE

A sudden storm caught our ship by surprise, and the waves were growing stronger by the minute. As my crew and I fought to steer the ship, I spotted another boat in trouble not far away. We had to decide quickly—risk the storm to help them, or stay safe. As we turned toward the boat, the storm got even worse, and then...

I looked down and gasped—I had a shimmering mermaid tail! And somehow, I could breathe underwater! I swam faster, amazed at how easy it was to move through the water. Just then, I noticed something glowing in the distance. Curious, I swam closer and saw...
