THE MYSTERIOUS CAVE

While hiking through the forest, I found a small opening between two big rocks. Curious, I squeezed through and found a hidden cave. It got colder the deeper I went, and there were strange drawings on the walls. Suddenly, I heard footsteps behind me, and then...

THE ANIMAL TRACKS

While walking along a quiet trail with my friends, we spotted some big animal tracks leading deeper into the forest. None of us knew what animal they came from, but we decided to follow them. After walking for a while, we heard something moving in the bushes ahead, and then we saw...

THE LOST CABIN

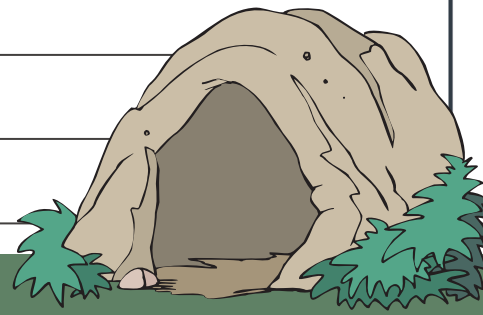

On a camping trip with my family, I wandered too far while collecting sticks. As I tried to find my way back, I came across an old, hidden cabin in the trees. I peeked inside, and everything was covered in dust, but there was a lantern glowing on the table. Just then, I heard a knock on the door, and...

THE BEAR ENCOUNTER

My friends and I were hiking when we heard a branch snap behind us. We turned and saw a big bear watching us. We stayed very still, unsure of what to do. But instead of coming closer, the bear turned around and started walking away, as if it wanted us to follow. Curious, we decided to...

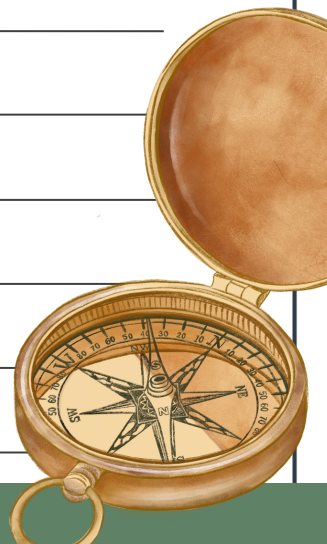

THE MISSING COMPASS

While exploring the forest with my family, I realized we had lost our way, and my compass was missing! As we tried to figure out what to do, I noticed something shiny in the distance. Hoping it was my compass, I ran over, but when I got closer, I saw...
