

NATURE FIND GIRAFFES

1. **Gather Materials:** Collect dry leaves, small twigs, glue, googly eyes (optional), and other natural items like grass or seeds.
2. **Create the Body:** Glue a large leaf horizontally to represent the giraffe's body.
3. **Add Legs and Neck:** Attach twigs for the legs and a longer twig for the neck.
4. **Make the Head:** Use a smaller leaf or a seed for the head and add ears and horns using tiny leaves or grass.
5. **Decorate:** Glue on googly eyes, draw spots with a marker, or use paint for details.
6. **Let it Dry:** Allow the craft to fully dry before displaying your giraffe!
